## VERA® BY YOUNG™ EARNS 5-STAR CLINICAL RATING

**Earth City, Mo., May 4, 2015** - Young Dental is thrilled to announce that the new [Vera by Young](#) disposable prophylaxis angle - Young's smallest, most compact prophylaxis angle - has recently earned The Dental Advisor's prestigious Editors' Choice 5-star rating.

Vera by Young was tested clinically by dozens of Clinical Consultants, who integrated the products into their daily routine and then rated their experience.

Vera by Young disposable prophylaxis angles are Young's slimmest prophylaxis angles designed for improved Visibility, Ergonomics, Reach and Access. This sleek prophylaxis angle comes in both [Classic](#) and [Contra](#) body styles.

After being evaluated by 37 consultants in nearly 2,100 uses, Vera by Young received a 98% clinical rating from hygienists. Consultants made the following comments:

- ✿ "It is the only prophylaxis angle I have used that is splatter-free."
- ✿ "The slim size is awesome!"
- ✿ "I love how I can use every surface of the cup to clean all areas of a tooth."
