
FOR IMMEDIATE RELEASE

Young Dental joins the fight against breast cancer Pink Prophy Angle sales in October will support the National Breast Cancer Foundation

Earth City, Mo., Oct. 1, 2014 – The National Breast Cancer Foundation’s mission is “Helping women now. Providing help and inspiring hope to those affected by breast cancer through early detection, education and support service.” And Young Dental is once again supporting that mission by donating a portion of Pink Prophy Angle sales during National Breast Cancer Awareness Month.

Throughout the month of October, Young will donate **10 percent** of the proceeds from Classic Pink and Contra Pink prophy angle sales to the NBCF. In addition to helping support a great cause, Young is offering a 2+1 promotion: Get a FREE 200ct box of Young Pink Prophy Angles with the purchase of two 200ct boxes of pink angles! This sale runs through the month of October.

Donations to NBCF help fund early detection, education and support services for the 1 in 8 women who will be diagnosed with breast cancer in her lifetime, according to the NBCF website. With Young’s brightly colored Pink Prophy Angles, clinicians get a high-performing prophy angle at a great value while supporting and spreading breast cancer awareness.

Visit www.youngdental.com or call **1-800-325-1881** to order Pink Prophy Angles and support the National Breast Cancer Foundation!

About the National Breast Cancer Foundation, Inc.®

Recognized as one of the leading breast cancer organizations in the world, the National Breast Cancer Foundation’s (NBCF) mission is to help women now by providing help and inspiring hope to those affected by breast cancer through early detection, education and support services. A recipient of Charity Navigator’s highest 4-star rating for ten years, NBCF provides women Help for Today...Hope for Tomorrow® through its [National Mammography Program](#), [Beyond The Shock®](#), [Early Detection Plan](#), [MyNBCF](#) online support community, and breast cancer research programs. For more information, please visit www.nbcf.org.
